What is a Church Member?

We are getting ready to update our directory. Are you included? If not, we sure would like you to be listed!

We want to keep the directory current with accurate information. You can help by letting us know if we need to change something on your listing. Not sure if what we have is correct? Use the bottom of this bulletin to write your name, address, phone number, and email. Then drop it in the offering boxes by the back doors. We'll do the rest!

The directory is not a membership list. You do not have to be a member to be included in the directory. We want to offer everyone who attends the information needed to check on and encourage each other.

You will notice in the directory some have an * by their name. The * designates an official/legal member of our church.

What is membership? Membership says that I am united with and support this church with my talents and attendance. Membership allows members to help make decisions on the direction of the church, makes them eligible to teach and lead, and serve on committees as this church furthers the work of God here in Winslow.

Do you want to change from attender to member? Talk to Pastor Fred or Pastor Ted and we can help make that transition. It's not hard, but it is a definite step you have to take to become a member. The main component is - do you trust in Jesus Christ as your Savior? That makes you a Christian. As a Christian, we would love to have you join us on mission here at First Baptist Church.
